2010 Officer-Election Results

The ballots are in, counted and here are the results:

President: Lorry Wagner

Vice President: Jackie Bumbardner

Secretary: Lorry Wagner

Treasurer: Lorry Wagner

AHA Delegate: Lorry Wagner

AHA Alternate Delegates: Alison Crutchfield

Margaret Fleming

These Officers will serve the balance of 2010 and 2011. The next election will be for the 2012 /2013 years. I sincerely hope that some of our members out there will step up and run for some of the above offices. I am happy to continue as Treasurer since I have the check book and we use the local credit union for our savings and checking accounts. In addition, I am only interested in the offices of President and AHA Delegate, since I have kept very close to Region 2 and AHA, thus am always up-to-date on the work, functioning and agendas of these two entities.

That's my report and input.

Lorry Wagner,

Editor

Important National Show Information: Select Rider Division & Performance Maturity Classes

Cross entries are prohibited for the select rider division and the corresponding amateur division classes for the 2010 Canadian and U.S. National Shows.

For example, a select rider competing in the select hunter pleasure class cannot also enter the hunter pleasure AATR or AAOTR classes (including the Hunter Pleasure Maturity class at U.S. Nationals.) However this horse/rider combination can compete in AATR or AAOTR amateur classes in the western division.

Per the qualifications in the 2010 AHA Handbook, points required for qualifications are based on the horse. Classes that will be used to qualify those horses are AO, AAO, AT, AAT, JT, JO and any open class that was ridden by an amateur rider. The exhibitor at the national shows must then meet the definition of a select rider found in USEF rule AR113.1.f. Status as a select rider is determined by the division, so for example, if a horse/rider combination rides in western pleasure on a Half-Arabian and obtains wins that no longer make them a select rider; they cannot compete on another horse in the Arabian western pleasure select class even though the horse has enough points.

New Performance Maturity Classes Added to U.S. Nationals!

Two additional performance maturity classes have been added to the 2010 U.S. National Show that were not listed in the 2010 Omnibus. The Arabian English Pleasure Maturity AAOTR and Half-Arabian/Anglo-Arabian English Pleasure Maturity AAOTR are the newly added classes. **Late enrollment fees for only these two classes will be waived until August 1, 2010. Full payment of \$630 must be received**

prior to August 1, 2010 or enrollments will be assessed late fees.
