## Announcing New Web-Site Domain Name for ARAB

Lorry Wagner  
Web-Site Manager  
August 30, 2008

We have a new web-site domain name! Be sure to change your "favorites" for the quick link. Our renewal date is September 12 of this year and, if you will recall, I sent out a request asking for your thoughts and preferences regarding renaming at time of renewal.

The purpose for renaming is that our address included "iaha" which now no longer exists. Our organization is now Arabian Horse Association, or AHA. Our choices for the new domain name were .com (as before) or .org was also available. The consensus I received was for .org.

I have purchased the domain name arabaha.org for 5 years. It was activated about 3 weeks ago and I have been working on transferring everything to the new domain. I haven't worked all the kinks out yet, but getting close.

So, you can check it out at <http://www.arabiaha.org>

Would also appreciate your contacting me with any problems you see.

[lorry@ridgenet.net](mailto:lorry@ridgenet.net) Thanks
