## **W. A. "WINK" CHAPPELL MEMORIAL TROPHY**

The W.A. "Wink" Chappell High Point Award was established to honor the working horse. Bill "Wink" Chappell established the first professional horse-training stables in Indian Wells Valley in 1965. This training stable was conducted as a partnership with Lorry Wagner and based at the Sierra Dawn Arabians Ranch. A few months later, Floyd and Velma Pickrell established their Rancho Bajada Riding Stables and Wink gave evening riding lessons there until retirement. From 1965 through his retirement in 1975, Wink trained many of the Valley's finest horses and riders, using the "Early California" methods of training and riding.

This award was established by the Association of Ridgecrest Arabian Breeders to honor outstanding accomplishments of a horse each year in the name of a man who has contributed so much to the equine industry in our area.

Applications for this competition must be received by the Trophy Committee before any points count. The Competition Year runs from January 1 through November 30. Score sheets must be turned in by December 4 of the competition year.
